

Blue Corner is situated in Jungut Batu along the north west coast of Nusa Lembongan. We are right on the beach front and from here we have beautiful views of Bali and the best sunset location. We have a restaurant and bar that accompanies our dive centre which serves an array of drinks and meals all day.

We are the only PADI Career Development Centre in Nusa Lembongan, which is the highest accolade in professional level diving! We have a great team of PADI dive instructors and dive masters that were all trained in-house by our very own Course Director and owner of Blue Corner Dive!

## Accommodation

At our Jungut Batu beach dive center, we have 4 air-conditioned bungalows with a queen bed at 450,000 IDR/night including breakfast. We also have a family bungalow at 850,000 IDR/night including breakfast - sleeps 4 people. The third option is a shared 4 bed dormitory with AC and hot water at 150.000 IDR/night excluding breakfast.

We also have a shared 7 bed backpacker dormitory with beds for 100,000 IDR/night excluding breakfast, but we only take walk in bookings for this. ALL other bungalows we take advanced bookings.

We have not built very much accommodation at our dive center because there is a plethora of accommodation options close by of all different budgets, so if you are looking for something a bit different than what we have on-site then I would be happy to provide you with some recommendations within a close walk if you let me know what kind of amenities you are looking for.

## Booking confirmation

Once your booking has been confirmed by you, you will receive a PayPal invoice for a USD deposit from the email address [codymcdonald81@gmail.com](mailto:codymcdonald81@gmail.com). All deposits are in USD, to prevent fraudulent invoices a personalized message will also be included in the invoice. Blue Corner Dive's cancellation policy is as follows:

- 2 weeks notice of cancellation FULL REFUND
- 1 week notice of cancellation 50 % refund
- Any cancellation made less than one week (7 days) will not be entitled to a refund.

Just to let you know, Nusa Lembongan currently has several ATM machines and will only provide 2,500,000 IDR/transaction, and frequently do not have money. As you are planning to stay a few days we suggest you bring cash with you as many of the restaurants do take credit cards, however the signal can be unreliable and often does not work. For credit card payments on site there is a 5% VAT surcharge and if you pay cash for diving we will offer a 5% discount. We do accept all major forms of cash payment as well.

## Transport to Nusa Lembongan

Several fast boat companies operate the route between Bali & Lembongan. We recommend D'Camel Fast Ferry. Their boats depart Sanur at 9.30am 2pm and 5.30pm. They offer airport/hotel pick up from Bali and drop off service directly to the dive centre. If these times do not suit you, there are other boat companies that we work with.

The price of a one-way transfer is 350.000 IDR/person or 550.000 IDR/person return. We are happy to book the transfer for you if you provide us with your flight/hotel details, or you can also book directly with them yourself. For drop-off/pick-up in Ubud there is transport included only at 'Cocomart' on Jalan Hanoman. If you wish to be dropped at the hotel, the price is an extra IDR 250,000 car.
